DHSS is requesting a fund switch to pay for the leased warehouse space at 312 Wilson Drive in Jefferson City, Missouri. This warehouse is needed in order to maintain space to store personal protective equipment. The personal protective equipment was purchased in response to COVID-19 and is being distributed to local public health, local fire and law enforcement agencies, and state agencies throughout Missouri.

The FY 2022 funding source was General Revenue and State Emergency Management Federal Stimulus Fund (2335). For FY 2023 the funding source would be the Corona Virus Relief Fund (2350).

The warehouse is located at 312 Wilson Drive in Jefferson City, Missouri. The total square footage is 160,000. The original estimated need was \$720,000 which covered the cost of rent and utilities. For FY 2023, the amount also includes the cost of insurance for the contents of the warehouse as well as the logistical costs associated with the movement of stock in and out of the warehouse.

The Department requires that every staff member receive 40 hours of annual training. The current Eastern Region Training Center - Farmington does not meet the needs of the Department. In order to attempt to meet the needs of the Department, space is utilized at a local hotel requiring staff and equipment to be moved back and forth from the existing Eastern Region Training Center. This request includes two (2) additional classrooms and a lactation room in the Eastern Region office.

In addition to the current space being inadequate the current location is also problematic. If new lease space for the Eastern Region office could be located at least 38 miles north of Farmington then staff from all but one eastern region institution and Probation and Parole staff from the St. Louis area could attend training without being in travel status, potentially saving travel costs. These savings would be dependent on the new location.

This request is more critical now due to the fact that the hotel the department contracted with has been sold and the new owners have informed the department that they will no longer offer meal services, provided the discounted training space, and will be seeking a rate increase for the lodging services. The department will likely have to seek a lodging/meals provider and lose training space currently provided by the hotel. New sufficient space is needed.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? The current ERTC (lease 09401266) is 7,417 SF with an annual lease appropriation of \$101,274 (FY2022). The proposed NDI is for two (2) classrooms, a lactation room and space for six (6) additional staff. (1600 SF per classroom X 2 + 48 SF lactation room + 120 SF X 5 + 64 SF for additional staff) = 3,912 SF. With an efficiency factor of 1.5, an additional 5,868 SF is requested. Total proposed SF is 13,285. Additional cost: 13,285 SF X (\$21/SF lease + \$1.75/SF janitorial + \$2.00/SF utilities) = \$328,804 - \$101,274 existing lease budget = \$227,530 additional funds needed. The \$21/SF lease cost projection is based on the possibility that the new lease location might be within the St Louis Metropolitan Area.

7. STRATEGIES TO ACHIEVE THE PERFORMANCE MEASUREMENT TARGETS:

It is imperative that the office/training space meet the needs of our agency to ensure we can adequately train our staff. Public safety is improved and risk of liability is reduced when the employees of the Department of Corrections (DOC) are trained to provide effective correctional services.

The Department provides:

- 280 hours of pre-service training for all uniformed employees
- 120 hours of pre- service training for institutional non-custody staff
- 258 hours of pre-service and intermediate training for all new P&P officers
- 40 hours of in-service training for all employees

Additionally, the Department offers 40 hours of training to new supervisory/management personnel. 16 hours of annual supervision/management training and 16 hours of personal safety training to each P&P officer.

FMDC has experienced continued price increases due to supply chain shortages and other factors which are contributing to rising inflation. Vendors that provide services for our leased locations are charging more for their services, leading to increases in rental contracts when they are renewed. FMDC is requesting additional authority in order to have the necessary funding available to cover rising costs when needed.

FMDC needs additional authority to be able to cover increases in vendor and lessor costs. The rise in costs are due to increases in building lease payments. Building lease payments include the costs associated with rent, utilities and other services specific to each leased location. As contracts are renewed, the additional costs are passed on to the lessee in higher rent payments.
